### TERM 3

#### Monday 15th July

Students Return

#### Monday 19th - Friday

#### 23rd August

Book Week

## PRINCIPAL'S MESSAGE

Our Curriculum Day was very successful with cohort and specialist teams completing planning for Term 3. Our ES team participated in a professional learning therapy session which is based around Lego. We are hoping the students who will be selected to participate in these therapy sessions, will benefit from these experiences, which will be provided by our ES team.

Reports are finished and will be available via Compass by COB Wednesday 26th June, 2024. Great work by everyone to get reports completed on time. NAPLAN reports are delayed and should arrive in the first week of Term 3. The reports will be distributed to families the day after they are received. They will be in envelopes and sent home with students who participated in 2024 NAPLAN in Years 3 & 5.

Some of our families may have noticed some significant changes to our front foyer areas of the main building. We have now included some amazing Artwork displays, showcasing student artwork, a staff profiles display plus our supersize SWPBS matrix and school values posters. What a difference it makes when walking into and through our school main building. I had the pleasure of showcasing these displays to all

**CONTINUED**

# CONTINUATION OF PRINCIPAL'S MESSAGE

school council members on Monday during our meeting.

We had a great day hosting our videographer and website designer this week. Our student leaders did a fabulous job with their speeches, we are excited to see these videos be included on our new website. Our aim is to have our website open by the start of Term 3. We have already received some video footage from the shoot today, the drone photography is absolutely amazing.

The Victorian School Building Authority (VSBA) will be visiting our school on Wednesday to determine what new buildings, to cater for enrolment growth, can be installed at our school. Exciting times!

We will plan to have an assembly on the last day of term, however, as we know we are now in winter and the weather forecast can also mean that assemblies are cancelled. We will notify families as early as possible on the last day of term if assembly is to be cancelled. We will be finishing school at 2:15pm on Friday 28th June, that is one hour earlier than our normal finish time. Please ensure you remember this to ensure you pick your child up on time, or please make arrangements with Big Childcare. We will be closing school by 2:45pm as all staff will move offsite to attend an end of term celebration.

We wish you all a wonderful family break together, stay safe and enjoy. We look forward to seeing everyone return on Monday 15th July, 2024 for the first day of Term 3. Reminders will be sent out via Compass and social media platforms the weekend prior.

Thank you for your continued support and working with us to provide the best possible education for your child/children.

Krista Barnes,  
Principal

# A WORD FROM WELLBEING

with Ms Nerida West

**Kids Helpline is Australia's only free (even from a mobile), confidential 24/7 online and phone counselling service for young people aged 5 to 25. Qualified counsellors at Kids Helpline are available anytime and for any reason.**

## all about Kids Helpline

We provide free support & counselling to people aged 5-25

Counselling can help you manage tricky emotions, problem-solve things happening in your life and learn new coping skills and strategies to improve your mental health and wellbeing

**you can talk to us about ANYTHING**

[kidshelpline.com.au](http://kidshelpline.com.au) | 1800 55 1800

Since 1991, Australia's kids and young people have been turning to our professional counsellors, no matter who they are or what they want to talk about.

**Kids Helpline is a fantastic resource for children of all ages.**

**PARENTS - did you know that you can also access information and assistance through Kids Helpline.**

@kidshelpline

**what does Kids Helpline actually do?**

[kidshelpline.com.au](http://kidshelpline.com.au) | 1800 55 1800

ON FRIDAY, STUDENTS IN YEARS 5 & 6 WILL BE PARTICIPATING IN A VIDEO CONFERENCE THROUGH KIDS HELPLINE ON THE TOPIC OF CYBER SAFETY AND BULLYING. WE HOPE THAT THIS IS AN INFORMATIVE SESSION AND GIVES STUDENTS USEFUL INFORMATION PRIOR TO THE SCHOOL HOLIDAYS WHEN STUDENTS MAY BE ONLINE MORE OFTEN.

# NUMERACY

with Mrs Lehave

## MULTIPLICATIVE THINKING

In Mathematics this term, students in years 3-6 are focusing on Multiplicative Thinking. Multiplicative thinking includes multiplication and division.

Did you know that we no longer teach students to memorise their times tables? Instead, we encourage them to use different strategies that involve deeper thinking about numbers and their relationships. Here is an example of how we teach the facts. It would be fantastic if you could help your child practise these at home.

**0:** any number multiplied by 0 is zero as this means there are no groups of this number

**The 1s facts:** any number multiplied by 1 is the number itself as there is only one group of that number

**The 2s facts:** eg, 2 ones, 2 twos, 2 threes, 2 fours, etc.. Think of as DOUBLES, eg, "2 sevens ... double 7, 14".

Establish RELATED facts, eg, if I don't know 7 twos, I could flip the equation and think 2 sevens (this is the commutative law- we can flip the order of the two numbers and the answer is still the same)

**The 3s facts:** DOUBLE AND 1 MORE GROUP eg, "3 eights ... double 8, 16 and 8 more, 20 ... 24"

**The 4s facts:** DOUBLE and DOUBLE again eg, "4 sixes ... double 6, 12, double 12, 24"

**The 5s facts:** eg, ... 5 threes, 5 fours, 5 fives, 5 sixes ... 5 eights, 5 nines ...

RELATE TO TENS (5 is half of ten) eg, "5 eights is half of 10 eights, 40  
RELATE TO READING TIME ON A CLOCKFACE: see 1, 2, 3, 4, ..... read as 5, 10, 15, 20 minutes past the hour eg, "minute hand on 4 means 20 minutes past the hour"

**The 6s facts:** relate to 3s (DOUBLE) eg, if I know 3 fours is 12 then I know 6 fours is double this which is 24

**The 8s facts:** DOUBLE, DOUBLE, DOUBLE eg, 8 fives - double 5 is 10, double 10 is 20, double 20 is 40 so 8 fives is 40

**The 9s facts:** THINK OF TEN TIMES MINUS ONE GROUP eg, 9 eights is one group less than 10 eights, it is 8 less, 72"

**The 10s facts:** most students can either count by 10s or understand the multiplicative property of place value eg: 3 tens is 30 (the 3 has moved along the place value chart and is now 3 tens)

The only fact that isn't covered by the above strategies (or the commutative law) is 7 sevens which is a square number that makes 49

**If students know all of the facts above, they also know the related division facts. They know the fact family which includes the two multiplication facts and two division facts.**

Nurture. Believe. Achieve.

EST 1868

# CELEBRATING OUR LEARNING

## 1/2C with Miss Buttigieg

In the 12C classroom, students learn math through problem-based learning involving money. They tackle real-world financial problems like budgeting or currency conversion, enhancing their practical understanding and critical thinking. This approach makes math engaging and equips students with essential financial literacy skills.

Miss Gabby has \$10 she goes to the shop to buy milk, eggs and bread. She spends \$4 how much money is left?

eggs \$1  
milk \$1  
bread \$2

ANSWER \$6

Miss Gabby has \$10 she goes to the shop to buy milk, eggs and bread. She spends \$4 how much money is left?

eggs \$1  
milk \$1  
bread \$2

ANSWER \$6

Miss Gabby has \$10 she goes to the shops to buy milk, eggs and bread. She spends \$4 how much money is left over.

eggs \$1  
milk \$1  
bread \$2

Miss Gabby has \$10 she goes to the shops to buy milk, eggs and bread. She spends \$4 how much money is left over.

eggs \$1  
milk \$1  
bread \$2

ANSWER \$6

# CELEBRATING OUR LEARNING

## 1/2F with Mrs Haynes

This week in 1/2F students learned about how people lived differently in the past and how their lives have changed over the time. They enthusiastically created family trees illustrating the generational transitions of their own families.

# CELEBRATING OUR LEARNING

## 3/4B with Miss Murden

In 3/4B we have been writing Procedures this term. Exploring a range of procedures such as following directions and making things. We are currently publishing their final writing procedure on 'how to make a disgusting sandwich'. Students have used their creative imagination in their writing while following the procedural structure. We have been having fun drawing our disgusting sandwiches for our published piece! Well Done 3/4B!!

# CELEBRATING BIRTHDAYS

AT ROCKBANK PRIMARY SCHOOL

Due to severe allergies within the school, we are **making some changes** to what families can provide to celebrate their child's birthday from 2024.

Instead of food items, **families are welcome to provide their child and their classmates with novelty items such as stickers, pencils, erasers, etc.**

It is incredibly important that all students feel safe and included at all times.

THANK YOU  
FOR YOUR  
UNDERSTANDING!

Nurture. Believe. Achieve.
